FIRE IMPACT FEE – PAYMENT RECEIPT

I. APPLICANT INFORMATION:

DATE: _____

☐

Residential

☐

Non-Residential

Applicant(s) Name (Contractor or Owner): _____

Contact Number & Email for Applicant(s): _____

Address/Location of Structure: _____

Residential (Number of Structures) _____ x \$500(per) = Total Amount Owed \$ _____

Non-Residential Square Feet _____ x \$0.41(per) = Total Amount Owed \$ _____

Residential Structures (\$500 each) – Shall be defined as single family detached houses, mobile homes and multi-family dwelling units which are designed for occupancy by a single family and not customarily offered for rent and accessory buildings, in excess of 1200 sq. ft. constructed on the site with a Residential Structure.

Non-Residential Structures (\$0.41 per square foot) – shall be defined as any building intended for occupancy by a business operation including, but not limited to, retail, office, professional services, banking, hotel/motel, warehouses, restaurants, fast food, personal services, industrial and healthcare services. Also, included are apartments and condominiums for rent.

Square Foot – means total square footage (TSF). Calculated by length times width of each floor then totaling the square footage of each floor for a TSF. Note: When submitting Non-Residential Impact Fee Permit, a set of plans must be provided with application or when picking up permit to verify TSF.

(Should you have any questions, please contact the Fire Chief at chief@navarrebeachfire.org or at the phone number listed above.)
