BOARD OF FIRE COMMISSIONERS' MEETING CANCELLATION NOTICE

The May 13, 2025 meeting of the Navarre Beach Fire Rescue District's Board of Fire Commissioners has been cancelled due to schedule conflicts. The next scheduled meeting will be held on Tuesday, June 10, 2025 at 4:30 p.m.

Per the Florida Department of Economic Opportunity – Florida Special District Handbook (Chapter 17: Page 123)

Suggestions for a Canceled Meeting: Neither the Sunshine Law nor the Uniform Special District Accountability Act address notice for a canceled future meeting. If a meeting must be canceled, the special district should provide reasonable notice as soon as possible to the public as a courtesy. For example, the special district could do one or more of the following: • Publish a cancellation notice in the paper • Post a cancellation notice on its official website • Post a cancellation notice on a bulletin board at its official headquarters • Post a cancellation notice on the door to the meeting room.
