2025 Annual Performance Measures

**Goal 1: Response time improvement**

Reduce average response time to emergency calls by 10% over the next year by optimizing readiness drills and reviewing response procedures monthly

**Goal 2: Training & Skill Enhancement**

Complete 100% of required annual training, including EMT/Paramedic refresher, Hazardous Materials, and all ISO training.

**Goal 3: Community Engagement & Public Education**

Lead or participate in at least 3 public safety education events (Fire Prevention week, CPR classes, Station tours) during the calendar year

**Goal 4: Equipment Readiness & Maintenance**

Ensure 100% of assigned apparatus and gear are inspected monthly, with all issues reported within 24 hours.

**Goal 5: Incident Reporting Accuracy**

Submit all incident reports monthly with zero administrative issues and full NFIRS standards

**Goal 6: Interdepartmental Collaboration**

Participate in at least two joint training exercises with mutual aid departments this year to improve operational coordination.
